Council for Tobacco Research - U.S.A., Inc.
900 Third Avenue
New York, NY 10022

Dear Ladies and Gentlemen:

Please forward a copy of the most recent application guidelines and annual report (if available) for the Council for Tobacco Research - U.S.A., Inc.'s Grants Program. In addition, please include our name on any mailing lists you may maintain for funding opportunity information.

We are interested in funding information which may provide support for our research and program activities. The Albert Einstein Medical Center is a teaching and research hospital located in Philadelphia, PA.

You may send information to:

Patrick C. Ryan
Office for Research Development
Korman Research Pavilion, Suite 100
5501 Old York Road
Philadelphia, PA

Thank you for your assistance.

Sincerely,

Patrick C. Ryan
